## Mrs. McKean Dead.

Died, Wednesday morning, at her home on 17th street, after a lingering illness, Mrs. Elizabeth Fleming McKean, wife of J. T. McKean, of this city.

Mrs. McKean was born September 6, 1838, near Lexington, and has lived here all her life. She was the eldest child of Judge and Mrs. John F. Ryland. The brothers and sisters who survive her are Mrs. J. V. Findlay and Judge John E. Ryland, of Lexington; Rev. Xenophon Ryland and Mrs. C. G. Hubbard, of Higginsville; Mrs. G. W. McKean, of Parsons, Kas.; S. B. and M. C. Ryland, of Kansas City; Mrs. G. W. Miller, of Odessa, and Miss Maggie Ryland, of Nevada.

Mrs. McKean was united in marriage to J. T. McKean December 12, 1867, and her husband and five children survive her. The children are Mrs. D. D. Gwinner, Mrs. William Bear, Mrs. Clark Davis, Edwin R. and George W., all of this city.

She has been a member of the Presbyterian church for forty years and was much beloved for her consistency in the performance of all duties as a member of this body.

The funeral services were held at the home Wednesday afternoon at 4 o'clock, conducted by Rev. E C Gordon. Interment followed in Macpelah.

## Mrs. McGrew Entertains.

Mrs. J. C. McGrew entertained the Utile Dulci club Tuesday afternoon. She was assisted by her daughter Mrs. Bard of Sedalia and Mrs. D. K. Funch of San Antonio, Texas. Flinch was the feature of the evening. Mrs. Stier winning the prize and Mrs. Furnish the guests prize. Elegant refreshments were served. After the salad course, came the cream in a very unique and attractive manner, chocolate cream in little flower pots in the center of which stood a full bloom La France rose. The guests were then invited to the dining room to pull candy. In the center of the large dining table stood a silver candelabra with green shades. Extending to the edge of the table were pink ribbons. Each guest taking an end was asked to pull, finding tied to the other end a little box filled with bon bons which was hidden under the point lace centerpiece.

## Fire at J. R. Moorehead's.

About 8 o'clock Tuesday morning fire was discovered in the roof of J. R. Moorehead's house. When the fire company arrived the rooms over the dining room and kitchen were burnt out and the fire had gotten under the roof of the main part of the house where it was very difficult to reach. The fire in the back part of the house was quickly extinguished but in the front part it was not successfully resisted until it had broken through the roof in many places. Nearly everything was carried out of the house but not until serious damage had resulted from both fire and water. It is impossible at the present time to estimate the damage to house and contents but it will probably prove to be several thousand dollars.

Mrs. Campbell and Mrs. Wilson Honored.

The Kansas City Journal contains the following:

St. Louis, Oct. 11.—At the closing session today of the Missouri division of the United Daughters of the Confederacy, the following officers were elected: Mrs. J. H. Campbell, Lexington, president; Mrs. J. E. Phillips, Kansas City, first vice-president; Mrs. C. C. Rainwater, St. Louis, second vice-president; Miss Napton Marshall, recording secretary; Mrs. M. D. Wilson, Lexington, corresponding secretary; Mrs. Anna Patie, St. Joseph, treasurer, and Mrs. James B. Gantt, St. Joseph, historian.

## Council Proceedings.

At the regular monthly meeting of the city council Monday night the usual reports were made—those of police judge, calaboose keeper, collector and treasurer and street commissioner.

The bill of the Electric Light Company was reported by the committee with recommendation that a deduction of \$19 be made for interrupted service.

Bids for macadamizing 17th St. were opened and read. George T. Menefee's bid was 65 cents per square yard and Hedge & Campbell's 59 cents. The contract was awarded to Hedge & Campbell.

Contractor Brindle appeared before the council and stated that he had been on the market seeking to buy brick ever since the Fort Scott brick laid on East Main street were condemned by the council. He said that it had been impossible to get them. He said that he had in his pocket a contract which he had shown to several members of the council, agreeing to furnish brick at the rate of four cars per day beginning with next week, and that he had asked the city attorney to telephone the brick company about its ability to fulfill this contract. The city attorney stated that the company had telephoned him that it would begin to load cars this week and continue to send them daily until the contract was fulfilled. The council then voted an extension of 30 days in which to finish the work of East Main street.

An ordinance relating to plumbers' licenses was read and adopted. It prescribed a plumbers bond of \$2,000 and defined the conditions to be observed in tearing up paved streets for laying pipes.

The council ordered vitrified brick crossings to be put in near the residence of Thomas Fletcher and near the residence of Mrs. Abrens, and grantoid crossings across the streets and alleys on the south end of 18th St.—the cemetery walk.

Ben Fisher was appointed night watch for the ensuing month.

Pearl R. Smith appeared before the council and requested that the property owners on the south side of Washington avenue be permitted to put down a four foot grantoid walk instead of brick when all the property owners in a single block agreed to do so. The permission was granted.

The council adjourned to meet Thursday night, Oct. 20.

Central College.

On Monday evening from eight to eleven the faculty and students of Central College were at home to their friends. The occasion was an informal reception for the new students, and an opportunity for the residents of Lexington to renew acquaintances of preceding years. A large number of friends were present, who were received by President and Mrs. Smith, Misses Prosser and Lowe; after which, introductions and social intercourse made every one feel at home in the time honored institution.

Bridge Committee Meeting.

At a meeting of the bridge committee Thursday night subscriptions to the amount of \$4,500 were handed in. This with about \$2,500 which Mayview and vicinity are expected to contribute brings the total sum considerably nearer the amount required.

The critical stage has been reached. The last seven or eight thousand dollars will be the most difficult to raise. Nearly everybody who may be expected to subscribe has been seen.

It is earnestly hoped that some of the larger subscribers will increase their subscriptions liberally and promptly. The survey will not be made until the total sum has been raised. It is high time to be about the work of getting the right of way, but the bonus will have to be raised first. Will not the people go to the committee and volunteer to give the amount remaining?

Public Sales.

Special attention of the readers of this paper is called to advertisements elsewhere in this issue of public sales of various kinds.

Axline's Poland China hog sale, Oct. 17.

Sydnor's Poland China hog sale, Oct. 18.

Catron and Wilson's trotting bred horse sale, Oct. 21.

Fischer's farm sale, Oct. 25.

T. B. Campbell & Son's trotting and saddle bred horse sale, Nov. 5.

Walbridge's Speech.

Cyrus P. Walbridge, republican candidate for governor, spoke at the court house Thursday afternoon to an audience of fair size. Mr. Walbridge has a very deliberate and accurate style of speech and his talk was well received. There is a little too much of generality about his utterances for a vote maker though he leaves his hearers in a friendly frame of mind towards himself personally. He drove to Higginsville from here and spoke there Thursday night.

Mr. Hamlin's Speech.

Hon. C. W. Hamlin, member of congress from the 7th district and candidate for re-election, spoke at the court house Wednesday evening, preceded by several of the county candidates—C. A. Keith, Bate C. Drummond, N. M. Houx, and Geo. B. Gordon. Mr. Hamlin's speech was in large part devoted to the tariff and Roosevelt. The speech was an excellent one and was warmly received.

Dates for Political Speaking.

Hon. A. F. Rector will speak in Lexington at the court house Saturday, Oct. 22, at 7:30 p. m.

Senator W. J. Stone will speak in Lexington Monday, Oct. 31, 1:30 p. m.

The American Royal Live Stock Show will take place in Kansas City next week, beginning Monday.

## The Indians Won.

In one of the fastest and most interesting foot ball games ever seen in Lexington W. M. A. lost to the second team of Haskell Saturday by a score of 18 to 0. The game was called at 2:30 and from the time the ball was kicked off the first time until the finish there was nothing but foot ball. The halves were 20 minutes and the game was played in less than one hour which is probably a record breaker. Notwithstanding the hot weather not a man from either team was retired and only five or six minutes time lost the entire game.

Each team is credited with two fumbles but the most expensive one was made by W. M. A. W. M. A. kicked off and securing the ball on Haskell's 25 yard line rushed it within a foot of the goal and with three downs to gain this distance the ball was fumbled and lost to the Indians.

Haskell, whose team was much heavier, rushed the ball across the field to their 10 yard line where W. M. A. held them for downs. W. M. A. failed to make the distance and the ball changed hands again and after 12 minutes play Poorthunder was pushed over for the first touch down, Haskell kicked goal. The second touch down was made in less time, the score was 12 to 0 when time was called the first half. In the second half W. M. A. resorted more to punting and Haskell had to be satisfied with 6 points, the final score being 18 to 0.

The Haskell team was made up from experienced players, men who have been playing ball for many years and understand the game thoroughly. This together with the advantage they had in weight is evidence of the strong game Wentworth played.

The feature of the game was Capt. Bunting's tackling. He was in every play, breaking up formations and downing the man.

Following is the line up.

Mr. Elling's Letter of Resignation.

Lexington, Mo., Sept. 26, 1904.

To the Chairman of the Lafayette County Democratic Central Committee.

Dear Sir: It is with much regret and only after careful considerations of the question that I have decided to offer my resignation of the nomination recently conferred upon me by the democratic voters of this county.

My reason for doing this is that I have just been offered a business engagement which will make it impossible for me to render the public service of the office of representative without personal sacrifice greater than my obligations to my family and home warrant.

I wish to assure you and through you to assure the democrats of Lafayette county that I have been, am now, and will continue to be entirely loyal to the whole democratic ticket, national, state, county and precinct; and I expect to spend a part of my time during this present campaign in party service. I fully appreciate the honor which the democrats of this county have conferred upon me and I shall not only in this campaign, but in future campaigns prove this appreciation by loyal party service. My sole reason for resignation is the business engagement which I have mentioned, rendering it impossible for me to discharge the duties of the office of representative without serious personal loss, greater than I feel able to make.

Very respectfully,

J. B. ELLING.

The annual horse show will be held at the Convention Hall, Kansas City, beginning Monday and continuing through the week.
